

Login UAT platform

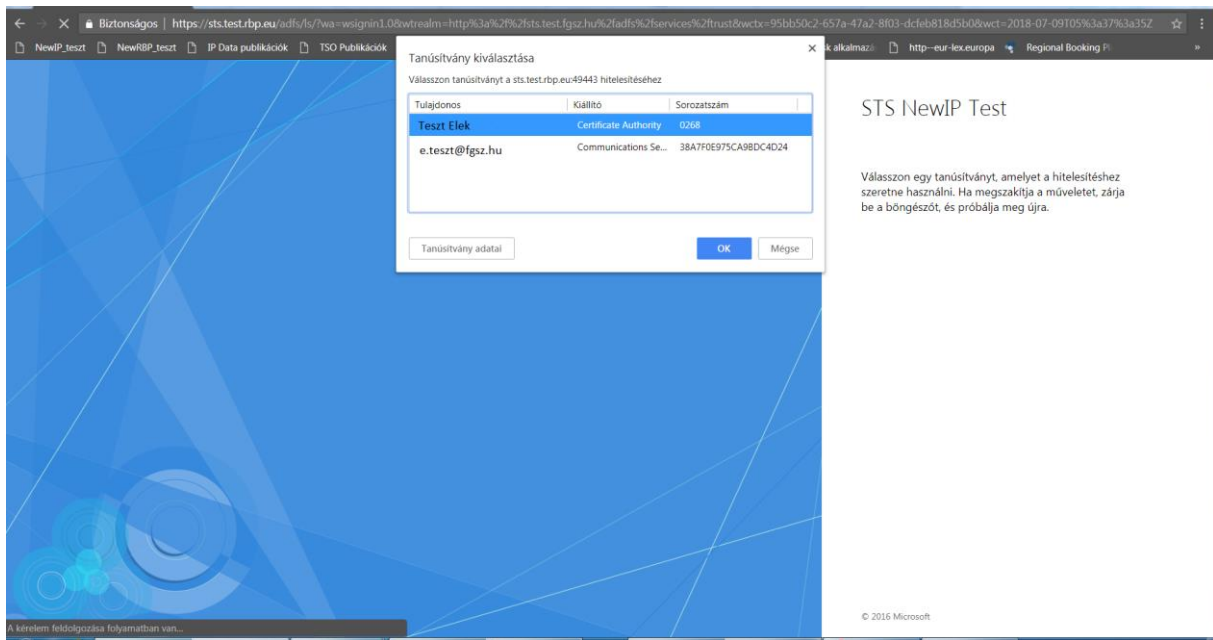

The UAT platform of the New IP System can be accessed using the following link:

<https://ipnew.test.fgsz.hu/Fgsz.Ip.Web.UAT/#main>

After you open the link, you should select the sts.test.rbp.eu account.

From the certificates that are displayed, you should select the certificate that was previously sent to FGSZ e-mail address rbp@fgsz.hu, in .cert format. After selecting the certificate and pressing "ok", you can enter the system.

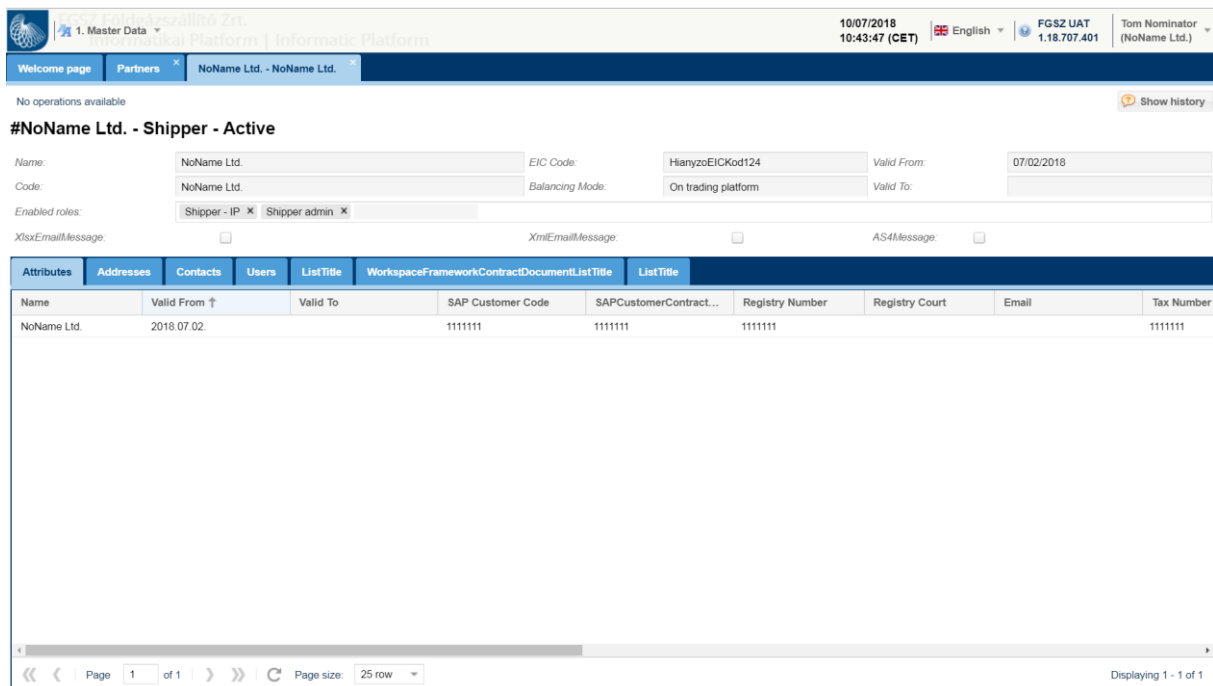

Network User/NNO Administrator role

1. Master Data > Partners > Partner link

If you click the link you can see here your own partner data.

2. Master Data > Users > New User (for Organization)

Here you can add a new user for your organization. You can upload the .cer file to CertificateAttachmentId. You can add different roles for the user with the New Role button.

After you add a new user for your organization, please notify FGSZ at rbp@fgsz.hu e-mail address, that we can make the necessary settings. This is only required during the UAT period.

4. Master Data > Partners > Partner link

If you click the link you can see here your own partner data.

The screenshot shows the Informatic Platform interface. At the top, there's a header with the user name 'Chris Trader (NoName Ltd.)' and the date '10/07/2018 10:40:38 (CET)'. Below the header, there's a navigation bar with 'Welcome page' and 'Partners'. The main content area shows a table with the following data:

Code	Name	Valid From	Valid To	EIC Code	Business Type Name	Balancing Mode Name	CreagesMember	State	SAP Customer Code	Tax Number	Registry Number	Bank
NoName Ltd.	NoName Ltd.	2018.07.02.		HianyzoEiCKod124	Szállítató	Klíring tag	X	Aktiv	1111111	1111111	1111111	

Below the table, there's a section for '#NoName Ltd. - Shipper - Active'. It shows details for the partner, including Name, Code, Enabled roles (Shipper - IP, Shipper admin), and various messages (XmlEmailMessage, XmlEmailMessage, AS4Message). At the bottom, there's a table with columns for Name, Valid From, Valid To, SAP Customer Code, SAP Customer Contract..., Registry Number, Registry Court, Email, Tax Number, Bank, Bank Account, and IBAN. The table contains one row for NoName Ltd. with the following values:

Name	Valid From	Valid To	SAP Customer Code	SAP Customer Contract...	Registry Number	Registry Court	Email	Tax Number	Bank	Bank Account	IBAN
NoName Ltd.	2018.07.02.		1111111	1111111	1111111			1111111			

The page footer shows 'Page 1 of 1' and 'Page size: 25 row'. The status bar at the bottom right indicates 'Displaying 1 - 1 of 1'.

5. Drop-down user menu at the right side > My privileges

Here you can see your own user data. Under My Settings, you can edit your own data.

The screenshot shows the Informatic Platform interface with the user menu open. The user is 'Chris Trader (NoName Ltd.)' and the date is '10/07/2018 10:41:56 (CET)'. The user menu is open, showing 'My Settings' and 'My privileges'. The 'My Settings' section is active, showing the following details:
